*You are cordially invited to attend the **3rd** City of Brentwood
Downtown Streetscape Workshop*

*Date: Monday, September 8,, 2008
Place: Council Chamber - 734 Third Street
Time: 6:00 PM*

The City of Brentwood launched plans to create a new streetscape design as part of its Downtown revitalization efforts. This new makeover for the Downtown will complement the restored City Park and new Civic Center to create a beautiful setting for the City's most historic and special district. Two previous community workshops have helped shape ideas and concepts to enhance the Downtown.

The City wants to hear your voice again at a third and final workshop **on Monday, September 8, 2008.** Please join us for a review of street configuration options to accommodate wider sidewalks for outdoor functions and other design and treatment elements to refine the character and style of Downtown Brentwood. Refreshments will be served.

For additional information, please contact Peggy Trudell at 516-5187.
