WEST NILE VIRUS

Are you prepared?

Contra Costa Mosquito & Vector Control District

Presents a seminar on West Nile Virus at:

Brentwood Advisory Neighborhood Committee

104 Oak St. City of Brentwood

(Community Development Rm)

Wednesday, August 24, 2005

7:00 p.m.

West Nile Virus is a disease transmitted to humans, birds, and other animals through the bite of an infected mosquito. In our seminar you will learn:

- ◆ Who is at risk
- ◆ How to reduce your risk and protect yourself
- ◆ What the District is doing to control the spread of West Nile Virus

Contra Costa Mosquito & Vector Control District offers community programs and services to Contra Costa County residents. We receive our funding from tax dollars, so when you call for our services ... there is no charge!
