

## DEAR FRIENDS

By: Shelly Newton

Dear Friends...

Many thanks again to all who helped out with our latest dinner social, *An Evening with Elvis*, as well as to all of you who attended! And how about that Elvis himself, showing up giving smooches to, among others, one of our special guest members, Betty Grace.

Betty just recently returned from Hawaii where she entered the Kona Marathon and won 1st place in her age group, 70+. She walked to raise funds for the American Stroke Association, herself being a survivor. Congratulations, Betty!

Our luncheon on June 10th was also a hit. Everyone greatly enjoyed the talent of Eric Hunter on his special keyboard. What fun to sing along to some patriotic songs in honor of Flay Day.

A special thank you also goes to Joanne and the "Oldies but Goodies" craft class for the patriotic decorated straw hat center pieces and place settings.

This group also displayed various crafts and paintings that they had entered in the County Fair, receiving many blue ribbons.

At our Wednesday, May 25th meeting, Maria's Monday painting class displayed many paintings done by her students. We're certainly proud of our talented seniors. It is our intention to highlight various talents throughout the year. Please let us know if you would like to share your craft, art or musical talent with the Club.

Along that note, one of our members is organizing a Variety Show to be held on Friday, September 14th. Watch for more details. Coming up Friday, August 19th at 1 p.m. is another Bingorama to benefit the "Meals on Wheels" program. This time around we plan to play more challenging games. So do drop by and join us.

Good news; the Brentwood City Council has received a "wish list" from the citizens Advisory Committee on Community Facilities. Recommended, among others, is a senior center and our club is being asked to solicit input from our members to determine exactly what type of facility we are hoping for. Let us know your ideas. Our Advisory Board meets the first Tuesday of each month at 10 a.m. in the Council Chambers.

So do come by and let us know of your ideas or drop in at the Community Center at one of our luncheon meetings, generally the second Friday and last Wednesday of each month where you'll find a suggestion box!

So until then, have a wonderful summer!

Shelly
