Instructions for Schedule H Loans Made to Others

All loans made are reported on Schedule H. **Effective January 1, 2001, the law requires that all outstanding loans be disclosed on each campaign report until paid or forgiven.**

Generally, campaign funds may be used to make loans to other candidates, officeholders, or committees (unless otherwise prohibited) and to bona fide charitable, educational, civic, religious, or similar tax-exempt nonprofit organizations. There are restrictions on loans to any other person, including a candidate who controls the committee, or to a nonprofit organization that is affiliated with a candidate, the treasurer, or other committee officials.

For each loan of \$100 or more that was made or was outstanding during the reporting period, disclose the recipient's name and address and, if an individual, his/her occupation and employer or, if self employed, the name of the business.

Column (a) – Enter the outstanding loan balance at the beginning of this period (column (d) of last report.) If the loan was made this period, this column will be blank.

Column (b) – Enter the amount loaned to the recipient during this reporting period. If this loan was made in a previous reporting period, leave blank.

Column (c) – Enter the amount of any reduction of the loan during this reporting period. Check whether the loan was paid or forgiven. If the committee forgives a loan, also report the transaction on Schedule E.

Column (d) – Enter the outstanding balance of the loan(s) at the close of this reporting period. Enter the due date, if any.

Column (e) – Enter the interest rate and amount of interest received on the loan(s) during this reporting period. Interest received is reported separately from payments received on the loan principal. Interest payments are also transferred to the Schedule I Summary.

Column (f) – Enter the original amount of the loan and date made. If this is the first time you are reporting the loan, this will be the same amount reported in Column (b).

Column (g) – For each loan made during this reporting period that is a contribution,* enter the cumulative amount of contributions (loans, monetary and nonmonetary contributions) made to the recipient during the calendar year covered by the statement. If the recipient is subject to state contribution limits, or the information is required by local ordinance, also enter the total amount contributed in connection with each election and identify the election year. (For contributions to state candidates, see the Schedule D instructions.)

Schedule H Summary:

The Schedule H Summary reflects the “net change” in the committee’s loan activity. That is, repayments received are subtracted from new loans made. When the repayment number is larger than the amount of the new loans made, Line 3 will be a negative figure. For example, if \$200 is received by the committee during the period and only \$100 is made in new loans, report the net change on Line 3 as “-\$100” or “(\$100).” Be sure to carry this figure to the Summary Page as a negative figure to be subtracted from Summary Page totals.

Refer to the FPPC [Campaign Disclosure Manual](#) for your type of committee for important information about recordkeeping, prohibitions on cash contributions, loan restrictions, and more.

*Loans that are contributions to candidates or other committees must also be reported on Schedule D.
