**Instructions for
Schedule D
Summary of Expenditures Supporting/Opposing
Other Candidates, Measures, and Committees**

Schedule D is a summary of payments reported on Schedules E, F, and H that are contributions or independent expenditures to support or oppose **other** candidates and committees. These include:

- A direct monetary contribution or loan made to another candidate or committee.
- A payment made to a vendor for goods or services for a candidate or committee (a nonmonetary contribution).
- A donation to a candidate or committee of goods on hand, or the payment of salary or expenses for a campaign employee who spends 10% or more of his or her compensated time working for another candidate or committee.
- A payment made for a communication (e.g., a mailing, billboard, radio ad) that expressly advocates the election/passage or defeat of a clearly identified candidate or ballot measure, but the payment is not made to—or at the behest of—the candidate or a ballot measure committee. “At the behest of” means the payment was made in coordination or consultation with, or at the request or suggestion of the candidate or committee. These payments are “independent expenditures” and may trigger additional reports for your committee.

If a total of \$100 or more is contributed or expended during a calendar year to support or oppose a single candidate, ballot measure, or a general purpose committee (e.g., a political party), disclose the name of the candidate and the office

sought or held, the name and jurisdiction of the ballot measure, or the name of the general purpose committee. For each candidate or measure listed, indicate whether the payment was made to support or oppose the candidate or measure. For example, if you made a contribution to the Committee Against Measure A, identify the measure and jurisdiction and check the “Oppose” box.

Disclose the date(s) and amount(s) of contributions or independent expenditures made this period relative to each candidate, measure, or committee, and the cumulative amount contributed or paid to date relative to the candidate, measure, or committee since January 1 of the current calendar year.

If contributions are made to candidates who are subject to state contribution limits, also disclose the cumulative amount contributed to each candidate during the election cycle.

Contributions and expenditures of less than \$100 to support or oppose a single candidate or measure during a calendar year are totaled and reported as a lump sum on Line 2 of the Schedule D Summary.

Contributions for Which No Payment Was Made:

If you contribute goods on hand to another candidate or committee (e.g., office supplies), describe the goods or services in the “Description

of Nonmonetary Contribution” column, and disclose the fair market value of the contribution. The fair market value is the amount it would cost the recipient to purchase the goods or services.

Date of Contribution or Expenditure:

A monetary contribution is made on the date it is mailed, delivered, or otherwise transmitted it to the candidate or committee. A nonmonetary contribution is made on the earlier of the following: 1) the date you made an expenditure for goods or services at the behest of the candidate or committee; or 2) the date the candidate or committee or an agent of the candidate or committee obtained possession or control of the goods or services.

Additional Important Information:

Refer to the [Information Manual on Campaign Disclosure Provisions](#) for important information about recordkeeping, prohibitions on cash payments, restrictions on the use of campaign funds, and more.

Contributions from campaign funds from a candidate or officeholder to other candidates or officeholders who are subject to valid contribution limits may be prohibited.
