Dear Friends

Dear Friends...

It's hard to believe another year is quietly coming to an end. As the weather finally begins to turn to fall and the days become shorter, we wonder where the time has gone.

We've had another busy year with a variety of programs, activities, services, and excursions! We've tried mixing it up with a Membership Dinner Dance, that turned out to be one of the best evenings we've had in some time.

We also traveled to Thunder Val-

ley Casino, the first time we've gone gambling in some time and we had a blast.

Our 50+ Senior Bocce program now has ten teams playing on Thursday mornings at Veterans and Applehill Parks. I can remember when we only had three teams! It's great to see this program continue to stay popular and so many of you play in more than just one league.

Of course we're looking forward to trying a few new things in 2007.

A Grandparent/Grand Child Bocce program and perhaps some horseshoe leagues for starters. Be sure to watch for more dinner dances. And of course, many more excursions are on tap.

So we hope you'll join us for 2007 as we continue to enjoy a variety of activities to make the upcoming year a great one!

Enjoy your Holidays!
