## Thoughts from the Club President

Dear Friends...

The election is over, and the "new" board is in place eager and willing to make our club even better and more exciting than before.

Your board has many events planned for the coming year, events we hope you will find to your liking. However, since no organization can really prosper without member participation, we welcome any and all suggestions from you, our members. This is, after all, your club! If there a trip you think we should

participate in, please don't hesitate to let us know.

We would all like our club to grow, so how about we make it our New Year's resolution that each try to bring in one new member before the end of 2007. Just imagine what double the membership would do to our resources! Do you think we can do it? Should we try?

This will be the first time since the beginning of the Brentwood Senior Citizens Club that Barbara Russell-Cambra will not be

serving on the board in one capacity or another (as per our by-laws).

We owe Barbara a huge debt of gratitude for the tremendous amount of work she has done in order to get the Brentwood Senior Citizens Club off the ground. Our most heartfelt THANK YOU to Barbara and PLEASE continue to attend the board meetings, we need your expertise.

Have a nice day everyone, and see you at our next get-together.
