September/October 2006

## Dear Friends

By: Lynda Oliver

*Dear Friends...*

*I have been involved with the Senior Citizens Club activities since its inception; from treasurer, to financial secretary, to all-over volunteer and organizer, and finally, my favorite, official birthday greeting singer. It hasn't always been easy but it has always been self-fulfilling, and beneficial in stretching my capabilities. I learned that we have some very special volunteers among our membership.*

*I have come to the conclusion that seniors are lucky! We are seasoned performers of the ballads and dances of life. We can laugh at our faults and not be embarrassed about them. After-all, the fact that we are*

*still navigating life's waterways counts; especially when we are surrounded by like minded comrades.*

*I must truly thank my numerous cohorts who have extended their time, wisdom, and experience to better all of our lives. Ron Caldwell 's total organization of this year's variety show. This fine-quality show presented us with both entertainment and a much needed donation to two local charities. Other special volunteers are our club's elected executive boards who have generously given of their time and expertise to filter our various entertainment, service requests, and promote those which were possible. We have volun-*

*teers who set-up for each bi-monthly luncheon club meetings and special events. We have Dottie Bangs our industrious trip secretary and Helen Torres our entertainment organizer. We must not forget our smiling bingo organizer Gene Brown. But again I must reiterate the fact that each volunteer's time and services, old or new, is equally needed and appreciated in facilitating the continuance of this club's activities.*

*Remember, only seasoned performers know what it takes to smoothly run a show, and, as the stars of our lives, only we can determine success of our show.*

*Lynda*
