## // BIN SERVICE AGREEMENT CONDITIONS //

**By signing the front side of the Agreement, I agree to the following conditions:**

1. I will not put dirt\*, sod\*, concrete\*, rock\*, tires, E-waste (including, but not limited to: TV's, computers, electronic devices), hazardous waste (including, but not limited to: oils, paints, batteries, Freon (AC units), pesticides, solvents, gas cylinders, drums, fluorescent lights) into this bin.  
  
( \* ) Dirt, sod, concrete and rock can only be disposed of in a 10 yard bin. Customer must specifically request the 10-yard bin size on the Bin Service Agreement for this material.
2. That if any of the items listed in No. 1 above are found in the bin, the City may refuse to haul the bin or if hauled already, I understand that I will be required to take back the material immediately. I understand that I will be held responsible for any and all costs incurred by the City to handle this waste, plus any additional bin rental fees required while unwanted items are unloaded from the bin.
3. This bin will only be filled to its capacity and no higher than the shortest side of the bin. If any bin is over loaded, the bin will not be hauled and I will be responsible for off-loading or leveling the load in the bin, any additional bin rental fees required while the bin is leveled off.
4. This bin and the storage area will be easily accessed for the driver to deliver/pick-up on the scheduled delivery/pick-up date. No debris will be blocking access to this bin. I understand that the bin cannot be placed in my driveway and that I will not move this bin from its original placement. **An additional fee may be charged, as adopted by Council Resolution, based on time & materials if the City is unable to service the bin due to inaccessibility.**
5. If the bin is damaged in any way, including but not limited to graffiti, wheel damage or bent rails, I will be responsible for all repair costs.
6. To ensure the lower per ton recycling rate, I must specify in advance of service the type of material to be recycled. There is no guarantee of the lower rate until a representative of the City has evaluated the bin's contents.
7. I agree to pay the fees for these services as set by the City Council and understand that the fees may change at any time. If payments are not received or the original signed agreement is not submitted within seven (7) days of the initial delivery date, the City may pick up the bin at the customer's expense. (See the City's Cost Allocation Plan on file with the City or online at <http://www.ci.brentwood.ca.us/departments/fi/business/documents.cfm>)
8. I agree to defend, indemnify, hold harmless, waive and release the City of Brentwood, its officers, agents and employees from any and all claims, lawsuits and/or causes of action of any kind arising out of the delivery, use and/or pick up of any bin that I may request.

(\*) You can pay your deposit by Visa, Mastercard, check, or cash. Once the bin is removed, we will assess the applicable service fees and apply the deposit against the charges due. If a credit balance remains, we will refund the amount to your credit card or refund by check based on the original form of payment. If your charges exceed the deposit amount, we will send you a bill for the balance. Please call Utility Billing at 925-516-5415 if you have any questions about your deposit or service fees assessed.

For your security, please do not put your credit card number on the Bin Service Agreement. As soon as it is received, a representative from the City of Brentwood will call you for that information.

(\*\*) Minimum two pulls per month.
