Using the Internet

You can use the Internet to find information about solid waste disposal, recycling, conservation and the City of Brentwood.

Log on to www.ciwmb.ca.gov, the home page of the California Integrated Waste Management Board. It is a one-stop center for information on recycling, composting and state laws on recycling.

To reach Brentwood City officials log on to www.ci.brentwood.ca.us. This page provides both governmental and community links.
