C.C. Café Comes to the Brentwood Community Center

After 20+ years at its location on Village Drive, Contra Costa County's C.C. Café is moving July 1st into the Brentwood Community Center. You heard right! With the recent sale of 100 Village Drive to a new management company, the senior nutrition site was asked to find another location to work from.

The City of Brentwood stepped to the plate and beginning July 1st, C.C. Café will be joining the Parks and Recreation Department serving meals in the Blue Room on a regular basis. Zel Ayres and her always faithful group of volunteers will be in the Blue Room from 9 am -1 pm, Monday thru Friday.

What makes this even better, is now seniors can stop in for lunch everyday, and then stick around for other activities in the afternoons. Or you can start the day with the "Premiers", have lunch, and stick around for our many other activities and programs.

The City of Brentwood is pleased to partner with Contra Costa County and welcomes everyone to the Brentwood Community Center.
