Dear Friends,

Wow! A lot has happened since the last 50+ and Having Fun Newsletter came out. The Senior Club now has developed a set of By-Laws, created a formal name (Brentwood Senior Citizens Club, Inc.) started the legal process to become a nonprofit organization and to acquire a bank account.

Now that's quite-a-bit for a fledgling group to do in two months or less! We have a set of officers to keep everything rolling and will share their names and talents in our next edition of this newsletter.

We have two great trips coming up! Visit the 47th annual Seniorama in Santa Cruz on the 18th of September. This is a favorite and of course lunch at the Coconut Grove is part of the trip price. There are a few good seats left so stop in, register today, and don't miss out on the fun!

The next trip on October 8th is to the Monterey Bay Aquarium. This is always a joy to experience. The beauty of our coast, the wonders of this marvelous museum and the fun of stepping out into a community full of history and cultural variety really will make this day special!
