May/June 2004

DEAR FRIENDS

By Barbara Russell Cambra

Dear Friends

What a great day it is! A new and exciting year for the Brentwood Senior Citizens Club Inc. has started with our club having over 200 members on our roster.

Our governing board has developed considerably over the past year and has expanded with strong leadership as we move down the road of a non-profit club.

New ideas concerning socials are being put into place with our current support and participation for the Non-Profit Fund Raiser, St. Patrick's Day Public Dinner and Dessert at the Brentwood Community Center. Mr. Petrovich has been doing this dinner for some years and it is

always a popular event.

June will bring our catered Luau dinner, no -host bar and raffles. Then we will join the City of Brentwood's Starry Nights for the Spirit of Polynesia concert. In September we will have another catered dinner and dance at the Community Center.

We continue to be active seniors with the Adult Education Exercise Program and our wonderful instructor—Angela Ghiggeri. The Bocce Ball program through the Parks and Recreation Department provides added outdoor activities.

The City of

Brentwood's Parks and Recreation Department has a new Park under construction at the intersection of Balfour Rd and Griffith Avenue. The new Balfour Road Park will include Bocce Ball championship courts.

The club also celebrated Valentines Day and Christmas with our traditional luncheon parties and this year the club added a musical Easter Luncheon Celebration.

These parties are traditions that many of our seniors look forward to attending. We now have Zel and her C C Café staff that provide the food for our wonderful parties and daily at the nutrition site located in the Community Center.
