Dear Friends:

It's with a great deal of excitement and pleasure that we announce the election results in this edition of the Senior Newsletter for the Brentwood Senior Citizens Club, Inc. (see page 9 for details)

You should know that your newly elected Board of Directors is a very enthusiastic and hard working group of volunteers, who have the distinction of being the group that will lay the foundation of the club that will last for many years to come.

Undoubtedly there will be many challenges and pitfalls ahead for this group as it begins the process of representing the various senior groups that currently reside within the Brentwood Community Center, providing representation and guidance for all seniors in providing a well rounded and balanced community program!

We here at the City extend our sincere wishes for much success to this board and look forward to a successful relationship through all their endeavors

during the coming year!

sincerely
Mac Kaiser
