Dear Friends:

To say another year has gone by already is a frightening thought. But what a year it has been. We've had some really good times and a lot has happened. We've made many new friends, and we have mourned the passing of some dear old friends.

Our programs and activities have continued to grow and expand, and we look forward to an even more exciting 2004!

We hope everyone will continue to stay involved and support our many programs, activities, and services as we look forward to an exciting new year.

Life is full of surprises, so join us - "come out and play." The golden years are just beginning!

Enjoy!
