DEAR FRIENDS

By Shelly Newton

Dear Friends

By the time you read this our first club dinner social, The Polynesian Luan will have come and gone. We hope that everyone attending had a great time. It takes many hands working together to organize and put on an event like that. Thanks to all who helped and to all who attended!

I would like to take this opportunity to explain in some detail the Club's policy as to way a trip may have to be cancelled or rescheduled. The trip committee uses a variety of tour /bus companies. Some tours companies have their own internal deadline to be met. In other words if they think we don't have

enough of a percentage of sign-ups by their time table, they may not want to hold the booking open for us. This is what happened in the cancelled June trip to Yosemite and why we encourage early registrations. Please know we regret deeply having to cancel any trips.,

We have decided to post pone the plans for this year to the Getty Museum in Southern California until hopefully next year. Preliminary plans were being made with the same company mentioned above. We are asking a different tour company to put together a travel package for us

to consider. Perhaps four days and three nights including a couple of other special attractions. Please keep in mind that a trip as such will cost each traveler a few hundred dollars.

We hope the upcoming trips will add fun to your summer days. We're especially pleased to offer excellent field level seats for the "A's" and the Chicago White Sox's. The game is on Sunday afternoon July 18th. As of this writing we are below the minimum number needed to go. In this case, arrangements were made directly with the bus company and the stadium. That way we do have some flexibility and can set the minimum
